- (11) The contractor shall claim "extra payment" for any additional item or work not included in the approved plan/schematic. In case any additional work is required due to the conditions, it shall be estimated as per the technical specifications and direction of this office. No claim for extra payment shall be entertained on that account. All materials used shall be of approved quality/proper grade and as per the technical specifications.
 - (12) If, at the time of execution, the actual quantity of any item of work is found to be more or less than the approved quantity, payment shall be made only on the basis of actual measurement as per the approved rate. No claim for extra payment shall be entertained in this regard.
 - (13) The work of construction of cement concrete road shall be carried out as per the approved design and estimate. The contractor shall be solely responsible for the quality and strength of the work.
 - (14) The contractor must obtain quality certification of materials from BIS/Bureau of Indian Standards or approved laboratory as per IS code and submit the same to this office.
 - (15) The contractor shall deploy skilled and experienced technical staff on site to ensure proper supervision and quality of the work.
 - (16) The contractors must carry photo records of the work at different stages and submit them to this office along with the measurement book.
 - (17) Any temporary structures or facilities constructed by the contractor for execution of the work shall be removed by him after completion and the site shall be left in clean condition as before.
 - (18) All safety measures shall be taken during execution of the work to prevent accidents and any damage to life or property. The contractor shall be solely responsible for any accident or loss caused during execution of the work.
 - (19) If the work is found to be substandard or not as per approved specifications at any stage, this office reserves the right to stop the work and order its demolition/reconstruction at the contractor's cost.
 - (20) If any dispute arises between the contractor and any person/agency/department during execution of the work, the contractor shall resolve it at his own level. The department shall not be responsible for any legal or financial consequences arising out of such disputes.
 - (21) The measurements shown in the estimate are approximate. The actual quantity of work executed shall be measured as per the actual measurement book.
 - (22) The contractor shall be fully responsible for the safety of the work and materials till completion and handing over of the work. The department shall not be responsible for any theft, loss or damage.
 - (23) All letters/approvals/instructions issued by this office shall form an integral part of this approval. Non-compliance with any of the above conditions may lead to cancellation of approval and legal action.
 - (24) If the contractor fails to comply with any of the above conditions or commits any negligence, the approval of this office shall automatically stand cancelled and legal action will be taken against him as per the rules.
- Therefore, technical approval of this office is hereby granted for the above work as per Government Resolution No. UDDO/1020/7068/3M, Urban Development & Urban Housing Department, dated 30/10/2025 and Notification No. GHV/V/253 of 2023/UDDH/TGP/6 file/18/2022/7201/L1-Branch: 504/Oldryades Gastes Notification Vol. LXIV, Wobedway, December 13, 2023/Agrahayats 22, 1945, Part IV-B. This approval is subject to the conditions mentioned above. Any deviation from the above conditions, rules or technical specifications may lead to cancellation of this approval and appropriate action as determined by the department reserves the right to inspect the work at any stage, and the contractor shall extend full cooperation. Any violation of the above conditions will result in legal action as per rules.
